**URGENT**

August 15, 2007

(Name)  
(Address)  
(City, State, Zip)

Dear Recipient,

The Board of Trustees has a fiduciary responsibility to confirm that each eligible pensioner or beneficiary is personally receiving their monthly benefit payment, either by check or direct deposit. The Trustees must also confirm employment status and disability status if a participant is receiving a disability pension. The enclosed affidavit, when completed and returned by each eligible member, will assist the Board of Trustees in protecting your pension benefit.

We have forwarded this request to you on three prior occasions and we have attempted to contact you by telephone. This is the fourth and final request for the return of your completed Annual Affidavit. **This letter will serve to notify you that your pension will be suspended effective September 15, 2007 pending receipt of the completed affidavit.**

Return your completed affidavit promptly to avoid the interruption of your pension benefit. We have provided a return envelope for your convenience.

Sincerely,

Pension Department  
Southwest Service Administrators, Inc.
