## **IMPORTANT NOTICE**

TO: All Eligible Members and Dependents

FROM: The Board of Trustees

The Board of Trustees of the Arizona Sheet Metal Trade Trust Fund is pleased to announce an addition to your present medical benefits. Effective July 1, 2008, you and your eligible dependents can receive medical treatment and medication through the SSA Mexico PPO Network.

The SSA Mexico PPO Network currently has providers in the border towns of Agua Prieta, Los Algodones, Mexicali, Nogales and San Luis. Please visit the Southwest Service Administrators, Inc. website, [www.southwestservicetpa.com](http://www.southwestservicetpa.com) and click on Arizona Sheet Metal Trade Trust Fund-Health & Welfare to access information about the SSA Mexico PPO Directory.

Medical, hospital, laboratory, and radiology benefits are covered at 100% of the allowed amount after a co-pay of \$5.00 for each visit or service. The prescription drug co-pay is \$3.00 for each medication. Medications that do not require a physician's written Rx in the United States are not covered under this Plan.

**Dental, Vision, Chiropractic, Mental Health and Substance Abuse treatments are not covered under the SSA Mexico PPO Network.**

To utilize the SSA Mexico PPO, follow these easy steps:

1. Call and make an appointment.
2. Complete and sign part 1 of the Mexico billing form (forms can be found on the Fund website, at Local #359 or at the Fund Office).
3. Show your Arizona Sheet Metal ID Card to verify your eligibility.
4. Pay the \$5.00 or \$3.00 copay at the time of service.
5. A valid Passport is required to enter Mexico

Remember, your provider(s) must belong to the SSA Mexico PPO Network in order for benefits to apply.
