Summary Annual Report for the Phoenix Painting Industry Trust Fund

This is a summary of the annual report of the Phoenix Painting Industry Trust Fund, Employer Identification No. 86-6051048, multiemployer plan for the period January 1 through December 31, 2005. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Insurance Information

The plan has a contract with Trustmark Life Insurance Company to pay all major medical, life and accidental death and dismemberment claims incurred under the terms of the plan. For the period January 1 through December 31, 2005, the total premium paid was \$2,273,985.

Because it was a so-called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2005, the premiums paid under such "experience-rated" contract were \$2,064,196.

The plan has a contract with Sightcare to pay certain vision claims incurred under the terms of the plan. The total premiums paid for the contract year January 1 through December 31, 2005 were \$38,695.

Basic Financial Statement

The value of the plan assets, after subtracting liabilities of the plan, was \$405,853 as of December 31, 2005, compared to \$162,857 as of January 1, 2005. During the plan year, the plan experienced an increase in its net assets of \$242,996. This increase includes unrealized appreciation and depreciation in the value of the plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$2,599,995, including employer contributions of \$2,538,354, employee contributions of \$44,704, losses of \$6,806 from the sale of assets and gains from investments of \$23,743.

Plan expenses were \$2,356,999. These expenses included \$89,012 in administrative expenses and \$2,267,987 in benefits paid to participants and beneficiaries.

Additional Information

As noted above, administrative expenses for all professional services totaled \$89,012 for the 2005 fiscal year. Contract administrative fees for the same period totaled \$45,988.

RE: **Important Plan Information**

Dear Participant:

This is to inform you of federal legislation which affects your health care coverage.

Women's Health and Cancer Rights Act of 1998

Under the Women's Health and Cancer Rights Act of 1998, group health plans that provide medical and surgical benefits in connection with a mastectomy must provide benefits for certain reconstructive surgery. In the case of a participant or beneficiary who is receiving benefits in connection with a mastectomy, coverage will be provided in a manner determined in consultation with the attending physician and patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and physical complications of mastectomy, including lymphedemas.

This coverage is subject to any plan copayments, referral requirements, annual deductibles and coinsurance provisions that may be applicable consistent with those established for other benefits under the plan. These provisions are generally described in the Plan's Summary Plan Description (SPD).

If you have any questions about whether your plan covers mastectomies or reconstructive surgery, please contact the Administrative Office at the number below.
