IMPORTANT NOTICE – FLU SHOT BENEFIT FOR 2011

The Board of Trustees is pleased to announce the following flu immunization benefit added to your Health Plan beginning October 1, 2011 through December 31, 2011, as follows:

All eligible participants and their eligible dependents 18 years of age and older may receive a flu immunization shot. This year the flu shot program is being administered by our regular prescription drug manager, Prescription Solutions. The pharmacies located at Safeway, Fry's and Kroger stores are able to provide the shot to you without any copay, meaning that there is no cost to you.

You must speak directly with a Safeway, Fry's or Kroger pharmacist, present your ID card and receive the immunization from the pharmacist in order to obtain this benefit. Do not confuse this with in-store clinics that are provided by an outside vendor.

This benefit will not be counted toward any yearly physical exam limit in the Plan.

Please contact the Trust Fund Office or a participating network pharmacy for details on how to obtain this benefit.

Sincerely,

BOARD OF TRUSTEES
