## NEW PLAN IDENTIFICATION CARDS!!!

We are pleased to enclose two new plan ID cards for you and your spouse.

In our continuing efforts to protect your private information, we have removed the name and SS# area from the back of these new ID cards.

**Please encourage your providers to submit claims electronically through BCBS using EDI Payor ID #53589.**

In Arizona, your ID card identifies BlueCross BlueShield as your primary PPO network.

Out of Arizona, use the back of the ID card to locate a preferred provider by calling 1-800-678-7427 or using the website at [www.multiplan.com](http://www.multiplan.com).

Call the Fund Office if you have any questions.
